	To make a some and analysis of the same about
Romanians Call	1 For New Socialist Unity
Scinteia sets of Bucharest's to reiterate a	y's editorial in the Romanian party daily the stage for the publication later this month s new party program. The program is expected and sharpen many of the points made in the so- ration of independence" of April 1964,
of Foreign Min reports of inc calls for a ne come differenc differences be direct party-t	teia editorial appeared against the backgrop nister Macovescu's current visit to Peking and creased Soviet pressure on Bucharest. The paper ew "superior" form of socialist unity to overces and tensions. According to the author, etween fraternal parties should be resolved in to-party contacts and in a "spirit of mutual spect" rather than by condemning each other.
for the Romani "the rules of ference in the vance of every	orial concludes with what is now standard fare ians, that party relations must be based on full equality among all parties, nonintere e internal affairs (of others, and the) observe y party's independence in accordance with the itions of its own country"
Romanian Defen	nse Minister Agreeable to US Visit
